### **Purpose and Audience:**

The Department is notifying Long Term Services and Supports stakeholders and community members that it is extending the public comment period for amendments to the Children's Extensive Supports (CES) Home and Community-Based Services (HCBS) waiver.

### **Information:**

The Department began a public comment period for an amendment to the CES waiver on September 1<sup>st</sup>, 2018. On September 4<sup>th</sup>, the Department became aware that a technical error prevented the full draft of the CES waiver application from being available through the Department website. The Department corrected this error immediately.

The Department is extending the public comment period for this waiver application until October 3<sup>rd</sup>, 2018 to account for the three days in which the CES waiver application was not available.

The public comment period for these three waiver amendments will now be open through **October 3<sup>rd</sup>, 2018.**
